

Purdue School of Engineering and Technology, IUPUI

NXG Youth Program Scholarship

The Purdue School of Engineering and Technology at IUPUI will provide a \$2,000 freshman scholarship, contingent upon acceptance and enrollment into the Purdue School of Engineering and Technology at IUPUI to participants of the NXG Youth Motorsports Programs who have completed three (3) classes within NXG Youth Motorsports Academy.

- ✓ The \$2,000 awards are renewable for up to 4 years, a maximum of \$8,000 per student. Students will have to maintain a 2.7 grade point average, continued enrollment and making good progress in an Engineering and Technology major, and a minimum level of service hours to NXG Youth Motorsports Programs.

NXG Grand Prix Scholarship

The Purdue School of Engineering and Technology at IUPUI will provide an additional \$2,000 freshman scholarship, contingent upon acceptance and enrollment into the Purdue School of Engineering and Technology at IUPUI to participants of the NXG Youth Motorsports Programs who have completed at least one (1) full season of the NXG Grand Prix Championship Series.

- ✓ The \$4,000 awards are renewable for up to 4 years, a maximum of \$16,000 per student. Students will have to maintain a 2.7 grade point average, continued enrollment and making good progress in an Engineering and Technology major, and a minimum level of service hours to NXG Youth Motorsports Programs.

NXG Youth Program Transfer Scholarship

The Purdue School of Engineering and Technology at IUPUI will provide a \$2,000 transfer scholarship, contingent upon acceptance and enrollment into the Purdue School of Engineering and Technology at IUPUI to participants of the NXG Youth Motorsports Programs who have completed at least three (3) classes within the NXG Youth Motorsports Academy, and/or the NXG Grand Prix Championship Series.

- ✓ The \$2,000 awards are renewable for up to 2 years, a maximum of \$4,000 per student. Students will have to maintain a 2.7 grade point average, continued enrollment and making good progress in an Engineering and Technology major, and a minimum level of service hours to NXG Youth Motorsports Programs.
